OUT-OF NETWORK PROVIDERS:

You can choose to see the eye care provider who's right for you – a VSP doctor or any other provider. **Out-of-Network Benefits:** If you choose to see an out-of-network provider, your coverage will likely be less than when you see a VSP network doctor. For more information about your out-of-network coverage please call Member Services at **(800) 877-7195** and give Customer Service this information: VSP Group#: 300-145-99 / Division#: 0082 Policy Holder: Bremerton Metal Trades Council

You will need to submit an out-of-network claim for services along with the invoice/receipt from the provider, and you will be reimbursed to the allotted amount. You can print the form from the VSP web site.
